Pittsburgh, Pennsylvania May 12, 2014.

Pittsburgh Glass Works (“PGW”), a portfolio company of funds managed by Kohlberg & Company, announced today that it has signed a definitive agreement to sell its Insurance & Services business unit (“I&S”) to Solera Holdings, Inc. (“Solera”) (NYSE: SLH) of Westlake, TX. Solera is a leading global provider of software and services to the automobile insurance claims processing and decision support industries. I&S consists of LYNX Services, GTS Services, and GLAXIS™, and is a leading provider of claims management services; call center services; proprietary software and business management tools for glass retailers; and electronic connectivity solutions for insurance companies, parts suppliers, and retail installers. The transaction is expected to close by June 30, 2014.

The combination of I&S and Solera will create a meaningful business platform in claims management services and provides significant value to the shareholders, customers and employees of both companies. Of equal importance, PGW and Solera will collaborate in a long-term strategic relationship to further strengthen the provision of auto glass claims management services and supply to insurance companies and consumers through the I&S ARG Alliance and PGW’s North American auto glass fulfillment distribution network.
